Be Sure to Read This Short Letter

Here's a real thrill in ECONOMY. Try it!

Over a million women have secured these finer Olson Rugs this EASY, FASCINATING WAY. You risk nothing by a trial!

A bundle of old rugs, carpets and clothing is all you need. We don't care how faded or worn your materials are—we don't care what color—just tie them up with an ordinary piece of rope, attach the enclosed shipping tag, and send direct to the Olson factories AT OUR EXPENSE.

WITHIN A WEEK we will weave luxurious DUO-VELVETY Rugs in any of the fashionable NEW colors or patterns shown in this book. Your rugs will look exactly as pictured.

Finer Rugs! Modern! Low Priced.

A few days later, your new rugs will be back in your home where you can test them any way you wish. We invite you to compare them with your costly Wilton and Axminster rugs.

If your new rugs do not give your rooms colorful, modern charm—if after a FULL WEEK'S TRIAL, you are not delighted with their deep, rich texture and velvet-like softness underfoot, you have the right TO SEND THEM BACK AT OUR EXPENSE, and WE WILL PAY YOU for your materials.

Just as the Olson Rug Co. was the first to introduce the harmoniously rich "ONE and TWO-TONED color effects", whose popularity has become nation-wide—NOW, we present "The new Two-Toned MORESQUE WEAVE", which gives more character, depth and beauty to the nap. As a result you can subject any Olson Rug to the hardest wear without showing footmarks. (OVER)

Our Patented Process Cannot Be Copied

Never before has anyone been able to make rugs from old carpets, rugs and clothing that can be compared in any way with these new and finer Olson Rugs. WE EMPLOY NO AGENTS OR HOUSE-TO-HOUSE CANVASSERS. Beware of agents who say they represent the Olson Rug Co. or claim to offer the same rugs.

We guarantee you will never be able to detect that your rugs have not been made entirely from expensive new materials.

We save all the valuable wool in your materials—steam, sterilize, and treat it so that it is just as good as it ever was—in fact it is BETTER wool because it is thoroughly SEASONED and will have more luster and life. Then the old colors are bleached out, the wool is respun, dyed with fast dyes and woven into rugs on the very latest power looms.

Lowest Factory-To-You Prices—We Have No Agents

No longer is it necessary to pay full retail rug prices which include the high cost of materials, retailers and wholesalers profits, salesmen's salaries, high store rents, etc. We have eliminated all that.

We know you don't want to let your valuable materials go to waste. Why not SURPRISE YOUR FAMILY with a new living room, dining room, hall or bed-room rug? You have never walked on SOFTER, more LUXURIOUS rugs, no matter what you paid. Modern REVERSIBLE rugs like these sell in exclusive stores for twice the money.

Our prices are right down to rock bottom. We GUARANTEE they won't go lower. Why not enjoy new rugs now? Nothing is gained by waiting. Sincerely yours

President,

If You Live Near One of These Cities

OLSON
DUO-VELVETY
RUGS

America's' Newest, Finest

LOW PRICED RUGS

EVERY Olson Duo-Velvet Rug has the same deep, closely woven pile *on both sides* exactly as pictured. All of your good wool material goes into the *surface* of the rug, where it belongs. The advantages of this superior new type of weave over ordinary one-sided rugs is apparent at once.

There are thousands of tightly twisted tufts in these finer Rugs. Note how close and firm each strand is packed in. Each tuft is separately

bound and firmly held in place. This is a wonderful improvement learned from the Orientals and found only in the finest rugs.

Olson Duo-Velvet Rugs "feel like padded velvet under-foot." They lay flat and are easy to clean.

Note that each tuft is dyed *clear through*. This is why we *guarantee* color and patterns to wear right down to the very last—as long as the rugs themselves, a lifetime.

Above all things, the color scheme of a bedroom should be dainty, cheerful and invite repose. It would be hard to find a rug so restful to the eye as this soft, new Tiffany green mixture known as JADE. There is nothing expensive in this room—nothing the modest purse could not afford, yet the effect is wholly delightful. And how ideal these new, reversible *Duo-Velvety* rugs are for bedrooms.
